Dear Ms. Itagaki,

It is truly an honor to be included in the "Nānā I Nā Loea Hula" documentation project. I have edited the interview and hopes this meets with the author's approval. Please call me if there are any questions.

Also, would it be possible to purchase photographs of myself that were taken by Mr. Shuzo Uemoto for my personal photo album. Mr. Uemoto is truly an artist and I hope that it will be possible to purchase photographs from him. Please contact me with your reply.

Mahalo,
