Dear Iwalani:

The Kalihi-Palama Culture & Arts Society, Inc. extends our aloha and mahalo nui loa to you for your participation in our "Nana I Na Loea Hula" documentation project. We truly appreciate your kokua in taking time from your busy schedule to share your hula history so we may document the information for future references.

Enclosed you will find an edited narrative of your interview and a sample photograph taken by Mr. Shuzo Uemoto for you to keep. We ask your assistance to correct any factual inaccuracies, to clarify the information or to add to the narrative, keeping the content of the story as close to the original interview as possible.

Please return the corrected copy of the narrative along with the signed final release form to our office by July 1st. If you have not filled out the fact sheet, we ask your kokua as the information on this form is very important to our project.

It is our hope that this project will promote aloha and respect for the fine work that each kumu hula is doing to perpetuate the traditional art of hula.

Again, thank you for your support of KPC&A. If you have any questions concerning the above, please feel free to call me at 521-6905.

Me ke aloha pumehana,

Jan M. Itagaki  
Executive Director
